gifts HOME & LIVING

Beautiful decor items, smart tech and kitchen essentials are at the top of our wish lists.

What excites you most about leading this holiday campaign?

CO: Christmas! Coming up with the perfect gifts for the people you love, the colours, the twinkle lights. I hope people are fortunate enough to be able to enjoy this year, no matter which holiday they celebrate. It's a joyful time that brings out the best in people and it's important to connect with the ones you love.

AM: I agree—and this campaign was also a huge treat for me, as I was able to keep spending time with Catherine!

What holiday traditions are you looking forward to? And how will this year be different for you?

AM: I'm looking forward to coming home to Canada and spending time with my friends and family. I have one normal tradition and one not-so-normal one. The normal one is watching *It's A Wonderful Life*

with my folks by the Christmas tree in front of the fire...and crying my eyes out. The other one is opening stockings with my extended family. There's always a pair of underwear in each stocking, which has resulted in our annual underwear-on-the-head photo. The difference this year will be focusing on being together and that's what I'm looking forward to the most.

CO: My mom and dad came up with the best tradition and my husband and I repeated it with our kids. At bedtime on Christmas Eve my siblings and I would hear bells outside my parents' bedroom window. My mom would say, "Santa's here. He's come early to bring you pajamas." We'd hear her speaking to Santa—never knowing it was my dad!—then she'd come out, hand us our pj's, we'd put them on and excitedly go to bed. This year, my hope is to be with my family and as many of my six

siblings as possible. We'll also watch *It's A Wonderful Life*, just like Annie and her family, and cry our eyes out.

Catherine, as your *Schitt's Creek* character Moira Rose, what gift from The Bay's holiday collection would you give to Annie's character, Alexis?
CO: I think she'd appreciate the cozy Multistripe Hudson's Bay Blanket after a long day of promoting others.

Annie, as Alexis, what would you gift Moira?
AM: A board game...? I guess we could play a game together!

What's on your Christmas list?
AM: Getting my hands on a good coffee machine would be fantastic!
CO: I've got a thing for the HBC stripes, so the Le Creuset Teapot and maybe some mittens!

Quicktime Qs—Christmas Style

Favourite Holiday Music?

AM: *A Charlie Brown Christmas* soundtrack.
CO: I love every carol! But I'll go with "White Christmas" or "What Are You Doing New Year's Eve?"

Mittens or Gloves?

CO & AM: Mittens.

Turkey or Tourtière?

AM & CO: Turkey.

Fruitcake or Mincemeat Pie?

CO: Mincemeat pie.
AM: I'm going to go with just a classic shortbread.

CO: I'll change to something I make every year, sticky toffee pudding.

Hot Chocolate or Eggnog?

AM: Hot chocolate, oh my gosh. I have a hard time even saying eggnog!
CO: Homemade eggnog...with booze. Or better yet, Brandy Alexander!
